Many donkeys are born with a dark marking down their back and across their shoulders that makes the shape of a cross. Legend has it that the donkey that carried Jesus on Palm Sunday was the first donkey to receive this marking when Jesus died on the cross. This is a story of how that might have happened to a little

donkey named Jubilee. Jubilee is changed forever when Jesus chooses her to carry him to Jerusalem on Palm Sunday and as she follows him around the last week of his life here on earth. Most important in this story is the true story of Jesus and the good news of Resurrection Sunday!
